Make Your Own Giraffe Friend

Seb Mayer has teamed up with Beverley Puppet Festival to bring you this activity pack.

With this PDF and the accompanying video (check www.beverleypuppetfestival.com), you can make your own mini giraffe puppet which will hang out on your wall to guide you through the dark weeks and months of social distancing.

Don't fret when your housemates are giraffeing you crazy and turn your bad altitude into permanent highs!

For this workshop you will need:
- This PDF template printed out on A4 paper (do not scale)
- Card/cardboard (ideally thin stuff- a cereal box, craft card, greyboard, or thin corrugated cardboard 1-2mm thick)
- Glue (for sticking the paper template to the card, e.g. pritt-stick or PVA)
- Scalpel & cutting matt OR Scissors
- Glue for sticking the model together (glue gun / super glue / PVA etc)
- Paint + brushes (acrylic paint, felt tip pens, or your favourite pigment producer)

Instructions a nutshell -
1. Download and print this PDF
2. stick it on cardboard
3. Cut it / Score it
4. Fold it
5. Stick it together.
6. Colour it
